

## Together with God.

When we can't get to Church here is a suggestion for a short time with God around your table at home. This is a way that we can be part of Christ Church together, while in our own homes.

### Title #2: Peace in the Storm.

1. Say: We are going to be a little part of Christ Church at home today.
2. Light a candle and pray: We light this candle of hope, to remind us of the light of God; Father, Son and Holy Spirit. God is with us now and also with our friends and family in their homes today. Especially we remember... *(add your own friends and family here)*
3. Play this YouTube clip: Every move I make - Hillsong Kids

4. So, today we are thinking about a stormy day. We have had a lot of stormy weather and floods this year. We can also think about life as being fine or stormy. Share or draw some good things from your life this week; then some things that feel unsettling, maybe where life feels stormy.
5. Watch <https://youtu.be/uYLHqdSO9OY> to see what happens when the disciples were in a storm, or read it from the bible. Mark 4:35-41.
6. I wonder... How do you think you would have acted in the boat with Jesus? What can we take away from this story that will help us this week?
7. Someone wrote on Facebook – We are in the storm, but the storm is not in us. What do you think?
8. Listen to this song: <https://youtu.be/K9aNgmoAHB8> . If you have children, they could make a boat from cushions and blankets as you listen.
9. Think or look at the things this week that feel unsettling and read this prayer together: Dear Lord, Thank you that you are with us in the fine days and the stormy days. Help us to remember you in the storm. Thank you for our NHS, teachers and those in Key services who are helping us in this storm we face together. In Jesus' name, Amen.

**Together with God Extra Time:** Children: re-enact the story with a bowl of water and some toys. If you want to, take a screenshot and send it to us to share. ([tracey@christchurchparbold.co.uk](mailto:tracey@christchurchparbold.co.uk))

Washing Up Prayers: As you wash up this week, say a prayer and remember God is with us in the storm. Feel free to send us photos of this too – especially if you manage to see a teenager washing up! 😊
