Eco Church 🌱 as part of our new "eco church" initiative, a green compost bin has been placed in the church yard. A water butt and bug hotels have been donated and the installation of a water pump to use waste-water for filling our WC cistern is under consideration. **We still need:** nest boxes, another waterbutt, bird feeders and bee-friendly plants. If anyone would like to donate towards this new project, please have a word with Mark Ashley: mashley@allsaintschurch.co.uk. As well as making our church more environmentally friendly, we are hoping that this project may support applications for grants for external funding.

Money matters: We need to increase the levels of regular giving to secure the future of our church. Separate details have been published. Currently our outgoings are considerably more than our income. Utility bills are rising. Please pray and respond if you can. It's most helpful if regular donations are made by Standing Order. Our bank account details are name: PCC All Saints Appley Bridge, Ac Nr: 34245460, Sort Code: 30-90-92. Please use your name as reference & Gift Aid if you can. Alternatively, you can use the general 'just giving' link on our website <https://allsaintschurch.co.uk/> or the QR code.
